

What education might my child be missing?

Some parents and pupils worry that important examinations or work is missed because the school is closed or conditions make it difficult to attend. But *the safety and welfare of children must take precedence* when making judgements about travelling to school in bad weather.

Arrangements can be made for lost time to be made up and examinations can be rearranged.

**GUIDANCE FOR PARENTS/GUARDIANS
ON SCHOOL CLOSURE DUE TO BAD
WEATHER OR OTHER EMERGENCY**

We want to work in partnership with parents/guardians to ensure the safety of children at all times. These guidelines outline the procedures for dealing with school closures during bad weather or other emergency.

Parental Role

We would like you to:

- Ensure your children wear appropriate outdoor clothes throughout the winter.
- Decide whether it is safe for your child to travel to school in bad weather, either by school transport or on foot.
- Provide the school with information about emergency contacts to whom your child can be sent at short notice if you are not available. Also tell the Head Teacher about any changes to this information and to your daytime contact details.
- Provide the school with a bad weather address within safe walking distance of the school.

Also:

- If school transport is not running *please* don't take your child – or other children – to school yourself. You will be responsible for ensuring that the children you took to school are transported home again.
- In difficult weather conditions pupils should not wait any longer than 15 minutes past the normal pick up time before returning home. In case the

transport doesn't arrive please make sure you have made alternative arrangements for your child.

- If your child travels by school transport you are responsible for their safety *to and from the pick up/drop off point* whether they use school transport or a public service vehicle.

School transport contractors have been told not to allow children to walk home alone from drop-off points *under any circumstances* during extreme weather conditions. If you can't meet or arrange for your child to be met, the school transport will return them to a designated location.

Public service vehicle – drivers of these vehicles follow a specified route and keep to timetables - they cannot make special arrangements

When will schools be closed?

- Head Teachers decide if and when schools should close due to bad weather or another emergency. In bad weather they will decide this after receiving information about local weather conditions. This decision can be made during any time, day or night.
- During bad weather some staff may not be able to get to school – so the school may have to close because there are too few teachers present.

Sometimes only part of the school will be closed or only some of the pupils dismissed early.

- If you are concerned about local weather conditions contact the school. You may wish to collect your child yourself and are free to do so provided you make arrangements with the school.

Nursery, Primary & Special Schools

If your child attends a Nursery, Primary or Special School, which is to close early, the school will contact you by telephone. If this is not possible then the school will contact your named "emergency contact".

No child will be released from school without contact being made. It is important contact details are current and the people named are available – particularly during bad weather.

Secondary

Because of the large number of pupils in Secondary Schools, it is impossible to inform all parents in advance of emergency closures and schools may dismiss pupils without first contacting parents.

Individual school will let parents know of any local arrangements.
